

vallee

*Consulting Engineers,
Architects & Planners*

G. Douglas Vallee Limited (Vallee) is an architecture, engineering, and land-use planning firm based in Simcoe (Norfolk County), Ontario. The firm is a third-generation family business that has enjoyed stability and growth for over 60 years with a staff complement of approximately 30 people. Our small firm's unique approach to integrated collaboration within our in-house project team of Architects, Engineers and Planners sets us apart from the large national and international consultants, providing a complete solution for clients under one roof. We are currently recruiting for a:

STRUCTURAL ENGINEERING TECHNOLOGIST – BUILDINGS DIVISION

You will work closely with the firm's Structural Engineering department, including our Director of Structural Engineering, Professional Engineers, Technologists, and Technicians. Your day-to-day duties will include working on structural engineering projects with a focus on buildings projects. This will include tasks such as engineering design and drawings, shop drawing review, and assistance with construction inspection and contract administration. Candidates with proficiency with REVIT will be preferred, however, it is not mandatory; training will be provided to the successful candidate as required. Employment is contingent upon maintaining a valid driver's license and access to a reliable, insured vehicle for work-related travel in accordance with Company Policy.

Experience & Skills

- Education in Civil Engineering Science or Technology or equivalent experience.
- Must be eligible for registration as C.E.T.
- Proficient in Revit. Experience with AutoCAD is considered an asset.
- Ideally 2-5 years of civil / structural engineering design experience, however recent graduates may also be considered.
- Basic knowledge of construction.
- Able to work independently, as well as in a multi-disciplinary team environment and develop client relations.
- Strong oral, written communication skills.
- A valid Ontario driver's license with access to a vehicle.

Compensation

- \$50,000 to \$90,000 commensurate with experience.
- Group RRSP with company matching employee contributions up to 4.0% of annual pay.
- Dental and health benefits included.
- Flexible work environment and work-life balance.
- Fun and collaborative work culture.
- The opportunity to participate in various office committees.

G. Douglas Vallee Limited does not employ the use of AI technology in the screening, recruitment, evaluating, or selection process.

This posting does not correspond to an existing vacant position.

Work Hours

This is a full-time position. Typical hours fall between Monday and Friday; occasional project-related travel or extended hours may be required.

We are committed to providing barrier-free recruitment and selection processes. If you require accommodation at any stage of the hiring process, please let us know in advance so that arrangements can be made.

Interested candidates are encouraged to forward their cover letter and CV to andrewvallee@gdvallee.ca.

Applications will be reviewed as they are received, and the posting will remain open until the position is filled. All applicants are thanked for their interest, but only those to be interviewed will be contacted. In accordance with Ontario's duty to inform, all interviewed candidates will be notified of the outcome within 45 days of their last interview.

G. Douglas Vallee Limited is an equal-opportunity employer and welcomes applicants from all backgrounds. We do not discriminate on any protected grounds under the Ontario Human Rights Code. Accommodation is available throughout the recruitment and selection process upon request. Any information collected during this process will be used solely for recruitment purposes and handled in accordance with the Freedom of Information and Protection of Privacy Act.
